

ON-LINE TRAINING for INDIVIDUAL EMPLOYEE

NEW!! INDIVIDUAL PASSWORD OPTION

Since we began this program in July of 2006, Rctclean will make additional subscriptions available for our Associations which allows agencies to buy individual licenses for each employee. Each employee would have their own password.

Example: Agency A buys 4 licenses for \$25.00 each at a total cost of \$100. Each employee who is listed will be given their own user name and password. Once a course is completed, the employee can track their test courses with answers and print their certificate.

UHPACO and UAHC will purchase the additional licenses in blocks of 100 and the agencies purchase them from either UAHC or UHPACO.

The subscription is valid for one year.

Providers may purchase additional user IDs at a cost of \$25.00 per person. Non-UHPACO members do not have access to this service. Three easy ways to order:

Phone..... (801) 582-2245 or 1-888-325-4150

Fax.....(801) 487-6424

E-mail..... homecareconnection@msn.com

Please fill out the lower portion of this sheet, make a copy for your files, and return (with your check or credit card information) to the address listed above:
